P.E.F. Israel Endowment Funds, Inc.

PEF was established in 1922 by Justice Brandeis, Rabbi Stephen Wise, Robert Szold and a group of distinguished Americans to enable the direct distribution of funds to selected and approved charitable organizations in Israel. PEF invites gifts, bequests and contributions for specific purposes and institutions. As specifically requested by contributors, PEF grants (now totaling over \$1 billion) have touched almost every facet of Israeli life.

Areas of support include, but are not limited to: primary and secondary education; supporting scientific research; promoting greater tolerance and understanding between religious and secular communities and between Arabs and Jews; the special needs of women, children and families in distress; special education and education for the gifted; veterans programs; drug abuse; promotion of the arts; and relief for the handicapped.
